# YPNO CORPORATE SPONSORSHIP OPPORTUNITY

---

The Young Professionals Network of Ontario (YPNO) is an exciting new organization designed to connect and engage Young Professional Networks across the province.

As a central hub, YPNO supports successful and dynamic professionals under the age of 40 to network, do business, advocate, have a voice at provincial and national tables, and build economic development opportunities.

There are currently over 40 Young Professional Networks in Ontario. Members represent diverse communities from large centres like Toronto to small northern towns like Kenora. They also come from all sectors and walks of life including private business, public entities, not-for-profit agencies and Aboriginal organizations.

If you would like to connect and engage Ontario's young talent and future leaders, consider becoming a corporate member of YPNO.
